MEMORANDUM FOR: Assistant Director for Special Operations

SUBJECT: Report on TDY, 26 January - 4 April 1952

1. Submitted herewith is a summary report on my activities during  
a temporary duty assignment to [redacted]

25X1

[redacted] Only the high spots of my trip  
are covered in this report. I should be glad to develop specific points  
in greater detail.

3. A final conclusion drawn from my trip is that periods of two  
to three months temporary duty at a single post are of more value than  
short trips [redacted]

I feel that the practice

should be encouraged of having key division and branch personnel  
actually take over the running

This could be done conveniently  
on such occasions as a turn around visit of a field chief to headquarters.  
The actual exchange of jobs on a temporary basis would be of value at  
both ends, encouraging a mutual understanding of field and headquarters  
problems which cannot be developed by correspondence or quick visits.
